

## HOMEDALE ROD & GUN Club inc

Jan 3 2019

Dale opened the meeting at 7:30pm at the Jade Garden in Nampa.

The Gate is mostly done but Dale thinks that we are a fill in Job.

Use last years gate code till we get the gate operational. The cameras are up and they do work. The entire range is covered and it is sharp and clear for the pictures.

Bill Washburn died in a car wreck. His grave side service will be held Friday 18<sup>th</sup> of January. We will miss Bill.

Levi Strauss has gone on the dark side and they are donating money to the antigun faction. Remember that when you buy clothes.

The shotgun events will be once a month. Remember you have to be self sufficient .

Alix Dougal got for the club a 930 diesel tractor. This was given to us free of charge. We may have to spend some money to get it running.

Randy Kinnige offered to haul the tractor to the range.

Welcome to all new Members.
